

Name of the Organisation	Company Profile	Products	Industry application
TUSAR FABENGINEERS PVT. LTD. Website: www.tusar.com	Tusar Fabengineers manufacture & supply Customized Fabricated Equipment, Machining & Assembly Work as per Drawing. Range of our fabrication works include Pressure Vessel Fabrication, Shell & Tube Heat Exchangers, Storage Tanks, Process Equipment, Furnaces, Fabricated Equipment that find their usage in various industries like Food, Process, Earth Moving, Mining, Power Plants etc. to customers from Europe, USA & India.	Fabrication & Supply of Pressure Vessels (Specialized Fabricated Equipments / Parts), Structures, Equipments in Stainless Steel, Carbon Steel & Alloy Steel like Water Cooled Bend, Water Jacket, Jacketed Vessle, Heat Exchanger, Expansion Vessel, Vapour Separator, Melt Furnace, Dust Chamber, Mould Chamber, Cooling Chamber, Mold Chamber	;Aerospace & Defence;Industrial Manufacturing;;Oil, Gas & Mining;Process Industry
SHAH BROTHERS Website: www.shahbro.com	Long term friction management is a key deliverable of any bearing. Add to it high load capacity and affordability and what we get is SHB Bearings. Crafted since 1957 and with presence in 5 continents, we are at forefront as a premium alternative but without a "premium" in pricing.	Taper Roller Bearings, Spherical Roller Bearings, Cylindrical Roller Bearings, Ball Bearings, Needle Bearings, Customized Bearings, Mast Bearings	Automobile;;;Industrial Automation;Industrial Manufacturing;Machine Tools;Oil, Gas & Mining;Process Industry
ZEAL PRECISION ENGINEERING INDIA PRIVATE LIMITED Website: www.zealprecision.com	We are one of the Leading Manufacturer and Exporter of Engg Precision Machined components , Non standard Fasteners and Machined Engineering Plastics	Components (Connectors, Pins, Fasteners, Cast / Forged Components, Stamped Components,Bushes, Custom Machined Components, Plastic Moulded Parts, Fittings, Rings)	Automobile;Aerospace & Defence;Electrical;Industrial Automation;Industrial Manufacturing;Machine Tools;Oil, Gas & Mining;Process Industry
TUSHAR INDUSTRY Website: https://www.tusharindustries.com/	We are suppliers of precision machined, complex turn mill parts made out of copper, aluminium, stainless steels and alloy steels. We are preferred suppliers for OEMS in the field of hydraulics, pneumatic tools, compressors, switch-gear industries.	Ferrous and Non Ferrous Machined Casting For Engineering Industries. Precision Engineering Works. Wire Cut Machine Components. Toolroom Job Works. Valve Connectors. Offset Printing Machine Sub Assemblies. Spray Painting Guns, & Accessories – OWN Products. CAM	Automobile;;Electrical;;Industrial Manufacturing;;Oil, Gas & Mining;Process Industry
VALVEWORKS INDIA PVT LTD Website: www.valveworksusa.com	We are a part of VALVEWORKS USA & are primarily manufacturing Precision and heavy machined components for Petro Chemical Industries as per API-6A. We have two manufacturing facilities, one at Pune & another at Kolhapur, Maharashtra. We are 100% EOU. Our major supplies are to different continents viz EUROPE,USA,ASIA & AUSTRALIA. The company is located in Chakan, Pune, the hub of manufacturing industries in India. The organization has installed adequate machine capacity in the form of sophisticated machines supported by strong infrastructure & quality facilities to cater the Customer needs. The company has led a constant growth path and aims solely for supplying quality products to the customers, through continual improvements. Our Products - Blind and Test Flanges, Threaded Connectors, Tees and Crosses, Top Connectors, Adapter and Spacer Spools, Gate Valve and other machined products.	GATE VALVES, ACTUATORS, WELLHEAD AND TREE EQUIPMENT	Automobile;Aerospace & Defence;;;Industrial Manufacturing;;Oil, Gas & Mining;

GAJJAR INDUSTRIES Website: www.gajjarindustries.com	Precision Sheet Metal Components & Fabrication For All Industrial & Engineering CNC Laser Cutting/Bending,Stamping & Deep Drawing Work.	CNC Laser Cutting, Sheet Metal Fabrication, Sheet Metal Stamping	::Electrical;Industrial Automation;Industrial Manufacturing;;Oil, Gas & Mining;Process Industry
DATTA ENTERPRISES Website: www.datta.co.in	We manufacture precision multi axis components we also manufacture machined gravity aluminium castings, cast iron / sg iron / and machined plastics. We also manufacture complete machines and our assembly setup has metal fabrication facilities like laser press brakes and fabrication	Oil field Components, Packaging Components, Marine Components	;Aerospace & Defence;Electrical;Industrial Automation;Industrial Manufacturing;Machine Tools;Oil, Gas & Mining;Process Industry
WINTRACK ENGINEERING PRIVATE LIMITED Website: www.wintrackengineering.com	M/s WINTRACK ENGINEERING PRIVATE LIMITED is involved in manufacturing of ferrous and non-ferrous precision machined components, assemblies and sub-assemblies. The manufacturing facility is spread over 45000sqft with setup to meet both short and long production cycles. We cater to Automotive, Power Tools, Oil & Gas, Electrical, Defence and General Engineering Sectors. The Company is ISO 9001:2015 and ITAF 19646:2016 certified. Being quality conscious, we strive for continual improvement in all areas by total team work approach. Hence, we are able to provide cost-effective tailor-made solutions on time, everytime while assuring customer products are zero defect.	Ferrous and Non Ferrous machined parts	Automobile;Aerospace & Defence;Electrical;;Industrial Manufacturing;;Oil, Gas & Mining;Process Industry
VEER-O-METALS PVT LTD Website: www.veerometals.com	Veero Metals was established in 1965. Manufacturer & exporter of Stamped Parts, Precision Sheet Metal Fabrication Parts, Machined Components and Mechanical Assemblies. based in Bangalore. Our Products are : Stamping Components Precision Sheet Metal fabrication parts Enclosures Machined components Industrial & IT Racks Mechanical Assemblies (Defence and Non-Defence) Veero Products Metal Additive Manufacturing (3D Printing)	Stamped parts, Precision sheet metal components fabrication parts, machined components and mechanical assemblies	Automobile;Aerospace & Defence;Electrical;Industrial Automation;Industrial Manufacturing;Machine Tools;Oil, Gas & Mining;
OM ENGINEERING Website: www.omindia.in	We are Manufacturer & Supplier of Customized Machined Components & Sub-Assemblies for wide range of engineering applications. We have CNC Turning & Milling facility along with a CMM and other measuring instruments required for the Quality Control. We can machine components upto following size: * Turning upto 800m.m. x L 800m.m. * Milling upto 550m.m. x 550m.m. x 1100m.m. We accept an order of just 2 pieces for prototype development and also capable to supply in bulk quantity. We also provide Dimensional Inspection Report of each component on customer's request.	Automobile, Tractor & Agriculture, Industrial Applications, Food Processing Machine Parts, Pump Parts, Valves, Accurator & Fittings	Automobile;Aerospace & Defence;;Industrial Automation;Industrial Manufacturing;;Oil, Gas & Mining;Process Industry

AKTIS ENGINEERING SOLUTIONS PVT. LTD. Website: www.aktisengineering.com	Aktis is specialized in manufacturing and assembly of precision components, fixtures, dies and fabrications with high quality, reduced cost and meeting strict timelines. Aktis is also one stop shop for all your moulding needs right from the concept, detailed design, tooling, manufacturing, assembly and packaging – helping customers bring their products from concept to completion for all types of plastic materials.	3D scanning, Moulding Solutions, Precision Machining Solutions	Automobile;;;Industrial Manufacturing;Machine Tools;;
THIRUPATHY BRIGHT INDUSTRIES Website: www.thirupathybright.com	We are manufacturers of Steel Bright Bars in various shapes and sizes, Manufacture Hydraulic Component assemblies, Threaded Bars and Fasteners and Conveyor Rollers and Manufacture machined Precision components.	Wide variety of bright bars in various grades and shapes such as rounds, squares, hexagons, rectangular bars	Automobile;Aerospace & Defence;;Industrial Automation;Industrial Manufacturing;;Oil, Gas & Mining;Process Industry
SSS SIMULATION DESIGN SERVICES Website: Website not known	Engineering services company into Automotive aerospace and transportation	Into SIMULATION DESIGN SERVICES	Automobile;Aerospace & Defence;;Industrial Automation;Industrial Manufacturing;;;Process Industry
PAHWA METALTECH PRIVATE LIMITED Website: www.pahwametaltech.co.in	Pahwa MetalTech is a high-tech materials technology company, specialized in manufacturing of new and advanced Copper alloys and its products for applications in Oil & Gas, Automotive, Welding, Heavy Engineering, Defence, Power Plant and General Industry. Pahwa MetalTech has introduced an innovative Copper Titanium (QTi[®]) alloy to replace hazardous Copper Beryllium alloys. Pahwa MetalTech (PMT) is an MSME Manufacturer and registered under the “Start-Up India” initiative, recognized by Department for Promotion of Industry and Internal Trade (DPIIT), Government of India. PMT is promoted by technocrat entrepreneurs with over 40 years of experience in managing and growing technology-based manufacturing businesses and having the passion and ability to realize the full potential of QTi[®]	Non-Sparking Hand Tools, Non-Sparking Impact Sockets, Non-Sparking Gas Cylinder Keys, Non-Sparking Bung and Plug Wrenches, Non-Sparking Valve Wrenches, Non-Sparking Digging Hand Tools, Non-Magnetic Hand Tools, Plunger Tips for High Pressure Die Casting, Core Pins & Chill Vents for Die Casting Molds, Inserts & Cooling Plates for Plastic Molds, Hot Runners for Plastic Injection Molding, Plasma Transferred Arc Welding Nozzles	Automobile;Aerospace & Defence;;Industrial Manufacturing;;Oil, Gas & Mining;Process Industry
GENOVA FORGINGS PVT LTD Website: www.genova.co.in	Genova Forgings Pvt Ltd is located in a Prime location of Coimbatore. Coimbatore a Major Hub in Tamilnadu for Manufacturing, Education & Health Care; A Tier II City with Primary Engineering & Textile Industries. We Specialize in Manufacturing of Precision Forged, Machined and Dies & Fixtures for Forging, Casting, Polymer, Electrometric Industries and Outsource Casting & Sheet Metal Fabrication and machined at our end made of Ferrous & Non-Ferrous metals	Aluminium Forged & Machined components, Copper forged & Machined components, Assemblies & Sub Assemblies, Bar Stock Machine components, Brass Forged & Machined parts, Sheet Metal fabrication, Dies & Fixtures of Forging, Casting & Polymer Industries	Automobile;Aerospace & Defence;Electrical;;Industrial Manufacturing;;Oil, Gas & Mining;Process Industry

	serving Pumps, Valves, Automobile, Electrical, Aerospace, Oil, Power & Gas, Material Handling, Construction & Mining Equipments, Heavy Machinery Industry & Defence.		
FUTURE AUTOMOTIVE PRODUCTS Website: www.futureautomotiveproducts.com	FAP is a professional Sheet Metal Small & Medium Pressed Components manufacturing company actively engaged in the manufacturing of Press tools, Aluminium Casting Dies, Gasket Cutting Dies & processing sheet metal components for the Automobile industry, Construction industry, Home appliances, Kitchen Accessories, etc and supplying Quality Products like small & medium pressed sheet metal components, fabricated Components, Engine mountings, Precision turned components, aluminium sleeves for car Air conditioners, Chassis, Panels, Channels, Pressure die casting components, etc	Aluminum Casting, Sheet Metal Components, Gobes / Steel Gobes, Tools & Dies, CNC Turned/Machine Components, Auto Turn Component, Pressed Components, Gaskets, Engine Mountings	Automobile;Aerospace & Defence;Electrical;Industrial Automation;Industrial Manufacturing;;Oil, Gas & Mining;Process Industry
NRB HYDRAULICS PVT. LTD. Website: www.nrbhydro.com	NRB Hydraulics Pvt. Ltd. works as a team with our customers. we request the customer to give order qty the customer is comfortable with, we quote for 5000 pcs on one hand and there is no minimum qty. for the customer. why should sales not increase if our quality delights the customer and we have RFD (Ready For Dispatch) on time >(5% of the time. We use the best production machines in the world like Mazak CNCs, Finn Power crimping machine, hardness testing machine , U.V . cleaning machine. We do 100% quality control check. We work on 3 principles Viz. Quality that delights the end user, On Time & IN Full RFD (Ready For Dispatch) and bring bad news to the table as it happens (God forbid) . We manufacture to customers drawings and our specialty is to work to tight tolerances e.g. UNJF threads.	Fittings for PTFE Hoses, Hydraulic Hoses, Metal Hoses, Hydraulic Adaptors, Seamless pipes, Stubend & Rings, Forged fittings Elbow and Rings	;Aerospace & Defence;;;Industrial Manufacturing;;Oil, Gas & Mining;
JAY JALARAM INDUSTRIES Website: www.jayjalaramind.com	Jay Jalaram Industries was established in the year of 1994 at Rajkot City of India.We have fully integrated manufacturing facility with in-house designing. we have more than 50000 sq. feet of well built infrastructure. our company working as per international standard rules and regulation as per ISO 9001:2008 Certification.We are dealing in Almost all kind of material like Steel, Stainless Steel, Aluminium, Brass, etc.	Automobile parts, Brass components, Cable accessories conductors parts, Electrical parts, Fasteners parts, Hydraulic parts, Moulding parts, SS Flanges, SS Spare parts, SS Thread Inserts	Automobile;Aerospace & Defence;Electrical;Industrial Automation;Industrial Manufacturing;Machine Tools;Oil, Gas & Mining;Process Industry
SAVVAK ENGINEERING INNOVATIONS PVT. LTD. Website: www.savvak.in	We manufacture precision components and assemblies in sheet metal, stainless steel, aluminium and metal wires, tubes and pipes. We have complete inhouse manufacturing including latest design tools, laser cutting machines, CNC punching and bending machines, fabrication including welding and riveting, and inhouse powder coating and liquid paint setup. We	Complete laser, CNC punching, bending, fabrication, powder paint, and assembly setup in both plants, Fire retardant doors, Telecom cabinets, UPS enclosures	;Aerospace & Defence;Electrical;;Industrial Manufacturing;;;

	manufacture high quality standard telecom racks, control panels and electrical panels for railways and electricals, industrial storage to retail display racks, fire retardant steel doors (certified), and more. We work as per customersâ€™ requirements.		
SAMCO METALS AND ALLOYS PVT LTD Website: www.samcoalloys.com	Samco Metals and Alloys Pvt. Ltd is a reputed steel foundry based at Kaniyambadi, Vellore (south India), since 1977. We manufacture STEEL castings for industrial valve & engineering OEMs (earth-moving, railway). We have been exporting since 1987, about 60%, to USA, Canada, Europe, Australia. Products (rough, semi-machined & machined) 1. valve castings - body, bonnet, wedge 2. oil-field equipment castings 3. engineering castings - couplers, dumper supports, carriers, plates, dumper axle spindles Annual Production Capacity: 5000 MT; single-piece weight range: 20 to 1500 kg Materials: Carbon steel, alloy steel, & stainless steel Certifications: ISO 9001:2015, PED and AD Merkblatt, IBR, NORSOK	Industrial Valve Castings, Oil-field Equipment Castings, Transportation and Engineering Equipment Castings	;;;Industrial Manufacturing;;Oil, Gas & Mining;Process Industry
A.K.P. FOUNDRIES PVT LTD Website: www.akpfoundries.com	AKP Foundries Pvt Ltd was established in the year 1978 as ferrous foundry under able leader ship of Mr.RAM.BHANDARE. Since then the organisation has grown in multiple folds. AKP as a group can supply fully machined & painted castings with weight from 7 Kg to 400 Kg single piece. AKP can supply castings of ALL grades of GRAY Iron & ductile Iron. It has full range of in house material testing facil	Compressor Parts: Casing, Cover, Manifold, Valve Housing Power Generation Parts: Bearing Cap, Diffuser, Manifold, Pipe Pumps & Valve Industries: BF Valve Bodies, Single Bank Rotor, Pump Housing, Pump Body Seperator & Engineering: Bearing Housing, Bracket, Cover, Filter Body.	Automobile;;;Industrial Automation;Industrial Manufacturing;Machine Tools;Oil, Gas & Mining;Process Industry
METALS UNITED ALLOYS AND FUSION PRODUCTS LTD. Website: www.metalsunited.com	OUR TECHNOLOGICAL EXPERTISE LIES IN CASTING, ANNEALING, DRAWING AND FINISHING VARIOUS COPPER BASED ALLOYS, SUCH AS BRASS, PHOSPHOR BRONZE, NICKEL SILVER, GERMAN SILVER, NICKEL BRONZE, AND SILICON BRONZE WIRES IN ROUND AND FLAT PROFILES. WE ARE WORLD CLASS MANUFATURER OF NON FERROUS WIRES.	Fine Wires, Zari Wires, EDM Wires, Round Wires, Toothbrush Anchor Wires, Zipper Wires, Flat Wires, Special Electrode Wires & Rods, Castings.	Automobile;Aerospace & Defence;Electrical;Industrial Automation;Industrial Manufacturing;Machine Tools;;Process Industry
KEMS AUTO COMPONENTS LIMITED Website: WWW.KEMSLTD.COM	We KEMS manufacture hot forgings, forging machining parts and precision machined parts, Sub assemblies and Assemblies to various sectors like Automotive, Hydraulic, earth moving, defense, mining and oil and gas. we produce, Turn Gear Blanks, Axle Parts like, Actuators, Track rod levers, Steering Levers, Hubs, Axle shafts, Drive shafts, Hydraulic Cylinder parts like, Pistons, Retainers, Heads, HEC and CEC.	Automotive Machined Components, Hydraulic Cylinders, Four Wheeler Link Assembly, Four Wheeler Brake Drum, Commercial Vehicle Brake Drum, Four Wheeler Piston, Four Wheeler Bushes, Four Wheel Drive Assembly	Automobile;Aerospace & Defence;;Industrial Automation;Industrial Manufacturing;;Oil, Gas & Mining;
AG ELECTRO SERVICES Website: www.agelectricmotors.com	With our specialized experience of 40 + years in Design, Manufacturing as well the constant improvements made in field of Electric Motors. We are like to serve you in the field of	AGITATOR MOTORS, STATOR, SPECIAL PURPOSE MOTORS, SHADED POLE MOTORS, VIBRATOR MOTORS, DOOR MOTORS, GATE	;;Electrical;;Industrial Manufacturing;;

	Electrical stamping - STR & RTR, Molding Stator Pole, E-Mobility, BLDC-PSM, SPM, Dairy Application, Textile, Spindle, Vibrator, Freight Elevator, Solar water pump motor with Total Solution for Electrical Rotating Machines	MOTORS, RETIRING CAM MOTORS, TIGHT RETURN DOOR MOTORS, TAPE WINDER CAM MOTORS, TAPE WINDER MOTORS.	
BHATIA ALLOY FORGINGS PVT LTD Website: https://bhatiaalloy.com/forged-aluminum/	Bhatia alloy was established in 1996, we are an India based automotive components manufacturing company with experience of over 4 decades, we served globally, our company specialize in light weight technology and expertise in processing of wrought aluminium alloys.	Aluminum Car Parts, Motorcycle Tubular Parts, Brass Valves, Aluminum Motorcycle Parts, Anodized Aluminum, Prototyping Parts, Brass Valves, Aluminum Bicycle Parts	Automobile;,,,,;
SANDEEP METALCRAFT PVT LTD Website: www.sandeepmetalcraft.com	We manufacture Precision Machined & Sheet Metal Components and Assemblies for Defense, Aerospace, Oil & Gas, Automobile. Extensive experience with various grades of Stainless Steel, Aluminium, Copper, Brass, Titanium, Graphite etc. In-house facilities for CNC Turning, VMCs, Grinding, Heat Treatment, Surface Treatment, clean-room Assembly and Tool Room. Inspection on CMM. 5 microns accuracy maintained	Precision Manufacturing and Assembly. Parts and components for Aerospace, Defence and automobile, Fuzes	Automobile; Aerospace & Defence;,,,,; Oil, Gas & Mining; Process Industry
CENTURY CRANE ENGINEERS PVT. LTD. Website: www.centurycranes.com	MANUFACTURERS AND EXPORTERS OF TRUCK MOUNTED CRANES , ELECTRIC HOISTS , OVERHEAD CRANES , GOLIATH CRANES , JIB CRANES AND WINCHES	Truck Mounted Cranes, Cranes: OVER HEAD TRAVELING CRANE, UNDER SLUNG CRANE, JIB CRANE, GOLIATH CRANE, SEMI GOLIATH CRANE, GRAB BUCKET CRANE Hoists: ELECTRICAL HOIST, MANUAL HOIST / CHAIN PULLEY BLOCK, Specialized Fabrications, Grab Bucket Cranes.	Automobile; Aerospace & Defence; Industrial Automation; Industrial Manufacturing; Machine Tools; Oil, Gas & Mining; Process Industry
CREDENCE TUBES PRIVATE LIMITED Website: www.credencetubes.com	We are Manufacturer & Exporter of STAINLESS STEEL SEAMLESS PIPES, TUBES, 'U' TUBES & FLANGES STAINLESS STEEL WELDED TUBES	High Precision & Heat Exchanger Tubes, Stainless Steel Hydraulic and Instrumentation Tubes, Stainless Steel Seamless Pipes, Stainless Steel Welded Pipes, Stainless Steel CDW (Cold Drawn Welded) Tubes, Stainless Steel Square Pipes.	Automobile; Aerospace & Defence; Industrial Automation; Industrial Manufacturing; Machine Tools; Oil, Gas & Mining; Process Industry
MANIAR PLAST Website: www.plasticparts.in	Our company manufactures and exports customized plastic parts, We are Experienced and professional in the Business of customized plastic molded parts since 1998.	Construction Products: Safety Goggles, Safety Helmet, Welding Gloves. Auto Parts, Caps & Closure Customized Plastic Parts.	Automobile; Aerospace & Defence; Industrial Manufacturing; Process Industry
B.N.R. EXPORTS Website: www.bnrexport.com	High Precision Manufacturing & Engineering Solutions is BNRs forte, A highly reputed leading ISO manufacturing Industries based in Bangalore. Established more than 55 years ago catering to all engineering & mechanical needs worldwide. This translates into sub-micron tolerances in machining. The BNR Group is right there, applying leading edge technology for designing and manufacturing a wide range	Aerospace: Machined components for landing gears & structural for the commercial aircraft, Machined engine components, parts in Aluminum & Steel for Aerospace latching and Body assembly, machined components for Aircraft wing & De-icing systems, Door hinges and latches parts. OIL & GAS: Manufactured Bearing Adaptors, Thrust housings, Floating Piston assemblies, Rotor Adaptors, Extrusion rings, Stop pistons, Split pistons, Plate valve	Automobile; Aerospace & Defence; Industrial Automation; Industrial Manufacturing; Oil, Gas & Mining; Process Industry

		checks, Bearings, retainer v rings, support rings. AUTOMOTIVE: elements plungers, Roller Tappet body, Cap Nuts, Banjo connecting pipes, Pulley, Fuel injection pumps, Starters, Wiper motors, Engine parts, Machining of ferrous & non-ferrous castings. DEFENCE: Manufactured connectors and Nozzle parts for the defence industry, Radar and missile casing parts for defence sector. GENERAL ENGINEERING: Volute Bodies, Impellers, Manifolds, Pump shafts, Drive shafts, Pump bodies	
RIVER STONE ENERGY LLP Website:	Riverstone is a wholesale manufacturer and distributor of Engineering products. Our portfolio includes Steel fabricating, punching/stamping, rubber molding, injection molding components, complete elevator and automated mechanical parking systems. We can add value with new product development or contract manufacturing. Promoted by technocrats with 25 years industry experience.	Product not found	Automobile;;Electrical;Industrial Automation;Industrial Manufacturing;Machine Tools;;Process Industry
FLASH LIGHTING SOLUTIONS Website: www.bijleebazaar.com	Flash Lighting Solutions is Merchant exporter of Engineering goods including LED & Solar Lights, Iron and Steel fabrication products such as Lighting Poles, Transmission Line Towers, High Masts, Crash Barriers, HT/LT/AMF Panels,VC Breakers, Solar structures, Server Racks, Bus Trunking. We are looking for potential clients/ buyers with whom we can work effectively and efficiently.	Website wrong entered.	;;Electrical;;Industrial Manufacturing;;
PRECICAST Website: www.precicast.co.in	PRECICAST is a Quality Conscious Gravity Die-casting foundry.We believe in producing quality castings through a process based approach by adopting latest technological development in foundry practices. Our foundry is your one stop shop for Aluminium & Zinc Gravity Die-cast parts starting from Tool development to producing parts ready to assemble.	Intake Manifold, Connecting Rods, Inlet Pipe (Automotive Engines), Hydraulic Pump, Valve related (Pumps & Valve Industry), Mounting Bracket, Mounting Plate, Mounting Disc (Telecommunication Industry), Door Handles (Hardware Industry), X-ray Housing (Medical Industry). Tee Connector, Pad Connector 2, PG Clamp 2, Conductor to Stud, Expansion Type, PI Clamp, Quad Spacer, Twin Conductor with Pad, Expansion Type, Expansion Type - Tube to Pad, Quad Conductor to Stud, Quad Conductor to Tube, Quad Conductor to Pad, Twin Conductor with Pad, Tube with Pad, Tube to Stud, Tube to Conductor, Straight Connector, Pad Connector 1, Pad Connector 3.	Automobile;;Electrical;;Industrial Manufacturing;;

RELIABLE PRECITECH ENGINEERS PVT. LTD. Website: www.precisionparts.co.in	We manufacture Customized Precision Machined Parts. We mainly supply parts for construction/Mining Tools, for Centrifugal & Slurry Pumps, for Conveyor assemblies. We manufacture bar stock parts, forged & machined parts, Investment casting machined parts, C I /Ductile machined parts. We have state of the art machining facility (DMGMORI NLX 1500/Y, Doosan CNCs, VMC with Continuous 4th Axis.	Customized Parts for Mining Tools, Parts for Centrifugal / Slurry Pumps, Morse Taper Adaptors For Drill Machine, Parts for Turbochargers.	;;;Industrial Manufacturing;;Oil, Gas & Mining;
SPIRO GEARS Website: www.spirogears.com	SPIRO GEARS IS A COMPANY EXTENSIVE EXPERTISE IN THE PRODUCTION OF SPIRAL BEVEL GEARS, SPUR & HELICAL , SHAVED & GROUND GEARS. WE MANUFACTURE WIDE RANGE OF GEARS FROM FINE PITCH TO MEDIUM SIZE GEARS FOR THE DOMESTIC AND GLOBAL MARKET FOR A WIDE VARIETY OF , EARTH MOVING EQUIPMENT, TEXTILE MACHINERY, STARTER MOTORS, PRINTING MACHINERY , GEAR BOXES, GEAR OIL PUMP, AGRICULTURE AND PACKAGING MACHINERY	Website not working	Automobile;;;Industrial Automation;Industrial Manufacturing;Machine Tools;;Process Industry
UTKARSH TRANSMISSIONS PRIVATE LIMITED Website: http://www.utlcoupling.com/	Since 1985, we have been providing coupling solutions for high volume manufacturing processes as well as for power transmission product distributors worldwide. The company manufactures more than 500 sizes and varieties of couplings Metalflex, Curved Jaw, Straight Jaw type, spacer type, Pin bush type, Gear type, Grid & Tyre type couplings.	Jaw Type: H Cushion Type (UN-A,B), H Cushion Type(UNS-H), Curved Jaw with Spider (Utex), Utex Taper, Utex Flange(A), Utex Flange(B), Utex Bolted Flange, UFC, Spider Type (US), Snap-Wrap Type (UW), Spider and Spacer (USS), T Cushion with Spacer (UCWS), T Cushion with Spider(USWS), Two Snap-Wrap with spacer (UWS), Snap-Wrap with Flange (UWF), Spider type with flange (USF). Metal Flex type: Metal Flex with Spacer(UMS), Metal Flex coupling(UMK), Metal Flex(UMS2/UMK2), UMSR2, UEMS. Pin Bush type: Pin Bush with Plain Bush (UPB), Pin Bush with Curved Bush (UB), Pin & Conical Rings type (URC), Pin & Conical Rings type with CI taper bush (URCT). Tyre Type: Tyre Type (UT), Tyre Type with Taper Bush (UTT), Tyre Type (UST). Gear Type: UFG - Full Gear, UHG - Half Gear.	;;;Industrial Automation;Industrial Manufacturing;;Oil, Gas & Mining;Process Industry
TUBE-FIT ENGINEERS Website: www.tubefiteng.com	Tubefit Engineers, since 1995, are engaged in the business of manufacturing and exporting a wide range of electrical cable accessories and components like Cable Terminal Ends (Lugs) & Connectors, Cable Glands, Cable Cleats, Flexible Conduits & Adaptors, Locks and Hinges, Earth Rod and Accessories etc. TUBEFIT ENGINEERS is ISO9001:2008 and CE/PED accredited company for Quality Management sys	Tube Fittings Double Ferrule: Port Connector, Spare Components, Special Fitting, Tube Ends, Tube To An Flare 37 Degree, Tube To Female Pipe Thread, Tube To Male Pipe Thread, Tube To Tube, Weld Fitting. Weld Fittings: Female Connector, Female Elbow, Male Connector, Male Elbow, Pipe Union, Reducing Adapter, Tube Union, Union Cross, Union Elbow, Union Tee. Pipe Fittings: 45 Degree Female Elbow, 45	;;Electrical;;Industrial Manufacturing;;Oil, Gas & Mining;

		Degree Street Elbow, Adapter, Allen Plug, Allen SAE Plug, Branch Tee, Female Cross, Female Elbow, Female Tee, Hex Long Nipple. Instrumentation Valves: Ball Valve, Check Valve, Double Block & Bleed Valve, Gauge Valve, Manifold Valve, Mono Flange Valve, Needle Valve, Plug Valve, Pressure Relief Valve, Vent & Bleeder Valve. Instrumentation Hardware, Gauge Snubber, Air Header, Syphon, Condensate Pot, Chemical Injection Quill.	
PLANT ELECTRICAL AND AUTOMATION SOLUTIONS Website: www.pea-solutions.com	A Leading System Integrator with domain expertise for Industrial Automation , Control Panel Integration & Contract Manufacturing , Plant Integration & IIOT Solutions for Manufacturing sectors	BATCH PROCESS PANEL, BATTERY CHARGER PANEL, DESKTOP PANEL, KC4 JB PANEL, KC6 JB PANEL, N8M JB PANEL, MINI CONTROL PANEL, NETWORK PANEL, PLC PANEL, PLC & VFD PANEL, RETROFIT PANEL, SCANNER PANEL, VFD PANEL.	Automobile;Aerospace & Defence;Electrical;Industrial Automation;Industrial Manufacturing;Machine Tools;Oil, Gas & Mining;Process Industry
RAVIKIRAN ENGINEERING WORKS Website: https://ravikiranengineering.com/	Ravikiran Engineering is an ISO 9001 : 2015 company. We have a collective experience of over 30 years in the manufacturing of machined components. We have the capability to produce turned parts from 5mm to 100 mm diameter, predominately in stainless steel, mild steel, brass, aluminium etc. & components up to 1000 kg in weight with strokes of 510 x 405 x 410 mm on vertical machining centres.	Stainless Steel Machining Component, Precision Machined Components, Precision Products Portfolio: Automotive Actuator Shaft, Piston Rods, Rod Guides, Gear Shifting Rods, Threaded Plugs, Screws, Banjo Bolts, Tubes etc. Diesel Engine: Bearing Thrust Washers, Threaded Plugs, Taper Threaded Nipples, Adapters, Connectors, etc. Specialty – Stainless Steel: Waste Gate Actuators such as Levers, Valves, End Links, Rivets etc... Textile Machine: Tie Rods, Bolts, Dovel Pins, etc. Various Industries: Aluminum, Brass & Stainless Steel, Components of very high accuracy & surface finish.	Automobile;;;Industrial Manufacturing;;;Process Industry
RACHAMALLU FORGINGS (P) LTD., Website: www.rachamallu.com	Rachamallu Forgings was established during the year 1983 to cater the requirements of Engineering Industry in and around Hyderabad. Today it is one of the leading manufacturers of Aerospace quality forgings in Steel & Aluminium alloy for Defence and Space applications. An AS9100-D certified company for the manufacturing of ferrous and non-open-die Forgings.	Aerospace quality Ferrous & Non-ferrous Open-die forgings : Blanks, flats, shafts, hollow forgings, rings and shaped forgings	;Aerospace & Defence;;;Industrial Manufacturing;Machine Tools;Oil, Gas & Mining;Process Industry

UNISPARES Website: http://unispares.com/	company As a leading manufacturer and supplier of turned, machined, forged, heat treated ,parts and components. We have been supplying our parts to many industries in the field of agricultural machinery manufacturers, construction machinery manufacturers, hydraulic and pneumatic cylinder manufacturers based in various parts of world, especially Germany, USA and Canada has been our major market.	AGRICULTURE MACHINE PARTS: TOP LINK ASSEMBLY, WELD ON END, BUSHING PARTS, HITCH BALLS, LINKAGE PINS, RATCHET JACKS, LEVELLING ASSEMBLY, R CLIPS, TRACTOR SAFETY PINS, LYNCH PINS, PTO LOCK PINS, HITCH PINS, DRAWER HOOKS, CLEVIS HOOKS, PTO ADAPTERS, DRAW BARS	Automobile;;;Industrial Automation;Industrial Manufacturing;;;Process Industry
INDIAN MACHINE TOOLS CORPORATION Website: www.itcodrillmachines.com	Estd. 1962, ITCO resonates with drilling machines in India.We specialize in high value, quality & maintenance free drilling, tapping, multi-spindle, autofeeds and SPMs. Clientele for autoparts, hardware, agriculture, aerospace, includes TATAs, HONDA, MARUTI, BAJAJ, HAL, BEL etc. Features: 20 micron spindle runout, graded casting construction, alloy steel drive, upto 2 yr local warranty & more.	Drill machine: Bench Drilling Machine, Pillar Drilling Machine, Geared Type Drilling Machine, Multi Spindle & Special Purpose Drilling Machine, Autofeed Drilling Machine, Radial Drilling Machine, Tapping Machine, Drilling Cum Tapping Machine	Automobile;Aerospace & Defence;Electrical;Industrial Automation;Industrial Manufacturing;Machine Tools;Oil, Gas & Mining;Process Industry
PALOMA TURNING CO. PVT. LTD. Website: www.palomaturnedparts.com	We are CNC machined component industry with two plants in India. Our sales revenue is USD 12 million. We cater to leading MNCs viz: Jhonson controls, Emeerson, Parker Hannifin, Danfoss, Linak,Wabco ZF, Resideo- Honeywell etc. We have state of art CNC machining facilities including Italian Buffoli rotary trnasfer machines	Product not mentioned	Automobile;Aerospace & Defence;Electrical;Industrial Automation;Industrial Manufacturing;;;Oil, Gas & Mining;Process Industry
KISAAN DIE TECH PVT. LTD. Website: www.kisaandietech.com	Kisaan Die Tech is a manufacturer of Steel forgings. We have been manufacturing high quality Steel flanges, rings and other non standard forgings for fourteen years. Our success in Asia and Europe is based on our commitments to quality, cost and on-time delivery.	Flanges, Tube Sheets, Forged rings, Forged shafts, Couplings, Gear Blanks, Non Standard / Custom Forgings.	;Aerospace & Defence;Electrical;Industrial Manufacturing;Machine Tools;Oil, Gas & Mining;
SIORA SURGICALS PVT. LTD. Website: www.siora.com	Our company Siora Surgicals Pvt. Ltd. has been in the business of Orthopaedic Implants & Instruments Manufacturing for more than 25 years covering pan India and more than 40 countries worldwide. Our manufacturing unit Equipped with Modern State of art Technology machines viz. Multiple Axis VMC, Sliding Head Turning Centre, CNC Deep Hole Drilling, CNC Wire Cutting, Mechanized Polishing and Surface	Orthopedic Products : Helix Locking Plate System, Microlock Locking Hand System, Adroit AFN Nailing System, Proximal Femoral Nail Antirotation , Adroit Multifix Tibia Nailing System, Adroit Multifix Tibia Nailing System, Tibia & Femur Interlocking System, Humerus Interlocking Nailing System, Supracondylar Nailing System, Titanium Elastic Nailing System, Radial Head Prosthesis, Hip Prosthesis, Small & Large Fragment Implants & Instruments, Mini Fragment Implants & Instruments, Cannulated Screw System, Cannulated Screw System, DHS / DCS Implants & Instruments, Angled Blade Plates Manufacturer, Aura Spine, External Fixator System, Large & Small Round External Fixator	;;;Industrial Manufacturing;;;

		System, Ring Fixator System (PEDIATRIC).	
AUTO SUSPENSION PARTS CO. Website: autosuspensionparts.in	Auto Suspension Parts Co. (ASCO) had a humble beginning in 1985 in Punjab state of North India. Since then we have worked dedicatedly to being suppliers to Global OEM /Tier1/IAM brands in the field of Automotive, Commercial Vehicle, Power, Oil & Gas sector. Within the Automotive and Commercial vehicle sector, we have expertise in suspension/steering/undercarriage parts and assemblies.	website is under maintenance	Automobile;Aerospace & Defence;Electrical;;Industrial Manufacturing;;Oil, Gas & Mining;
RISHI SEALS PVT. LTD. Website: www.rishiseals.com	We, Rishi Seals Pvt. Ltd., are one of the largest manufacturers of Door and Window hardware in India. Our product range includes a large variety of Hinges, Tower Bolts, Door Seals, Screws, Fasteners among several other products. We have an extensive domestic market presence, along with markets of Nepal and Bangladesh. We are interested in expanding our markets in the UK and Europe.	Metal Hardware Fittings: Aluminum Door Seal, Stainless Steel Door Stopper, Stainless Steel Aldrop, Stainless Steel Handles, Stainless Steel Tower Bolts. Metal Hinges : Bearing Hinges, Butt Hinges, Piano Hinges. SS Window Friction Stay	;;;Industrial Manufacturing;;;
SAGE METALS PRIVATE LIMITED Website: www.sagemetals.com	Sage metals is a 35 years old Delhi based company in to manufacturing of Al, Zinc, Cooper and SS castings with Sand, HPDC, and investment cast processes, The company also does stamping and tubular products in Ferrous/ non Ferrous. The segments are electrical wiring accessories, drainage, Valves, auto and pumps industry, Hot line clamps, transformer fitting etc.The major market is north America,	Electrical Wiring and Accessories: HV Terminals, Chappe, Cu Lugge/ Connectors, Conduit bodies, Service Entrance Heads. Drainage and Plumbing Products: Flow Valves, Fittings for Fluid Circuits, Air Vents, Fixed Diaphragm Valves, Plugs, Drain Fittings, Primer Trap Assembly, ASME Valves, Diversified Alloys, Full range of fitting sizes, Custom engineered products. Industrial: Pressure Reducing Valve, Seismic Data Storage Housing, Lamp Holders, Weighing Scale Housings, electronic product life and reliability, Tight tolerances. Critical components for oil drilling operations.	Automobile;;Electrical;Industrial Automation;Industrial Manufacturing;Machine Tools;Oil, Gas & Mining;Process Industry
CARRIER WHEELS PVT. LTD. Website: www.carrierwheels.com	CARRIER WHEELS PVT. LTD. is a leading manufacturer of Steel Wheels based in India. We have a rich experience of manufacturing steel wheels since 1965. We are currently serving wheels to the following industries worldwide. a). Agriculture Tractors b). Construction c). Agriculture Trailer d). Forestry	WHEELS FOR AGRICULTURAL, TRACTORS & TRAILERS, EARTHMOVING, CONSTRUCTION & OTR, PASSENGER CARS, SPECIAL CUSTOM WHEELS.	Automobile;;;;;;;;;
G.R.S ENGINEERING PVT. LTD. Website: http://www.grsforging.com/	GRS Engineering - We are an ISO 9001 certified company with expertise in world class Closed Die Forgings & Precision Machining. With manufacturing plants based out of the historic city of Mysuru, we manufacture and export quality products that cater to industries like Automotive, Oil & Gas, Mining, Railways, Earth Moving & Construction.	website not opening	Automobile;;;Industrial Manufacturing;;Oil, Gas & Mining;
SUPER SPRINGS Website: www.supersprings.biz	Manufacturers & Exporters of Springs, screws, and wire bending components. We are exporting wire components to	Compression springs (Cylindrical, Conical, Concave (Barrel), Convex (Hourglass), or	Automobile;;Electrical;;Industrial Manufacturing;Machine Tools;;Process

	Europe, South America, Middle East and South East Asia. Our CNC Spring Coiling and Wire Bending machines help us maintaining quality in our products and we can customize the design as per customer's requirement.	Various Combinations of these), Torsion Springs, Form Springs, Extension Springs, Spiral Springs.	Industry
GIBRALTAR AIRSPRINGS PRIVATE LIMITED Website: http://www.gibraltairairsprings.com/	Gibraltar Airsprings Private Limited is the first 100% Indian company to manufacture air springs (including the rubber component) for railways, buses, trucks and industrial applications for the Indian and global markets. We are presently supplying to major paper mills, cement plants, aluminum, steel and power plants. *The manufacturing process is 100% Indigenized. *Provide best quality products.	GIBRALTAR GIB: BASE PLATE, SUPPORTING FRAME, TOP PLATE, EMERGENCY SPRING, SLIDING PLATE, AIR BELLOW.	Automobile;Aerospace & Defence;;;Industrial Manufacturing;Machine Tools;;
ASSOCIATED PLASMATRON PVT LTD Website: www.plasmatronindia.com	APPL, was established in 1988, with the aim of providing state of the art Thermal Spraying services to the industry. All through these years, the Company has proven its competence and today is a front runner in the Surface Engineering industry. A Single Point Source for your Thermal Spray Coating, Cladding, and Manufacturing Requirements.	Aircraft Engine, Thermal Power: Steam Turbine Components, Boiler Tubes, PIC DC Range of Coatings, Cold Rolling Line: Bridle Roll, Tension-meter Roll, Deflector Rolls, Flattening Rolls, Leveler Rolls, Pinch Rolls. Continuous Annealing Line, Continuous Galvanizing Line, Blast Furnace Copper Tuyeres. Ball & Gate Valve, Reciprocating Plunger, Centrifugal Pump Parts, Progressive Cavity Pump, Casing and Impeller Wear Rings, Pump Sleeve, Cross Head, Piston Rods, Hydraulic Piston Rods, extrusion screw.	Automobile;Aerospace & Defence;Electrical;Industrial Automation;Industrial Manufacturing;Machine Tools;Oil, Gas & Mining;Process Industry
KRISHNA ENTERPRISES Website: www.krishnaenterprise.co,in	Krishna Enterprises has specialized in the manufacturing of complex and precision machined components for different industrial applications. Primarily focusing on components of complex geometry, the company has been able to enhance itself with its dedicated team, to become a reliable supplier to O.E.M.s. We are also pursuing AS9100D Certification to enter into the Aerospace Machining Business.	Precision Machined Components, Stainless Steel Fabrication, Zinc Flake Coating, Soft & Hard Anodizing, Induction Heat Treatment	Automobile;Aerospace & Defence;Industrial Automation;Industrial Manufacturing;;Oil, Gas & Mining;Process Industry
KPM PLASTO RUBBER CO., Website: www.kpmrubber.com	KPM Plasto Rubber Co., is a manufacturer and exporter of Industrial and allied rubber products. Our products range from Custom molded rubber parts, Rubber to metal bonded parts, Rubber lined or overmolded valve seats, Oil seals, Custom rubber seals, Potable water parts, Reinforced diaphragms, Bellows, Bushes, Grommets, Gaskets, Anti-vibration mounts, Pipe joints, Bakelite parts and ebonite parts.	Anti vibration rubber mounts, Hard Rubber parts, Bakelite Parts, Bellows, Rubber Bushes, Profile Rings, Reinforced Diaphragms, Rubber Pipe joints, Rubber Seals, Rubber, Gaskets, Trolley Wheels, Valve Parts, Rubber to Metal bonded parts, O-Rings, Custom rubber parts, Grommets.	Automobile;Aerospace & Defence;Electrical;Industrial Automation;Industrial Manufacturing;Machine Tools;Oil, Gas & Mining;Process Industry
PRIME PROGRESSION ICOM INDIA PRIVATE LIMITED Website: www.primeprogression.in	We are a sourcing & exporting company based in Bangalore, India. We have been in business for 20 years & export our products to Europe, UK, USA and Canada. We are specialised in sourcing of moulded parts in rubber, rubber metal, plastic, metal stampings & fabricated parts, Ferrous and non ferrous castings, high pressure die castings, and wiring harnesses for	PALLETS: Plastic Pallets, Processed Wood Pallets. SLIP SHEETS: Kraft Slip Sheets, Plastic Slip Sheets. AIRBAGS : AirBags Paper, AirBags PP, Fast Filing Airbags. MOISORB MINERAL DESSICANTS: Calcium Chloride (CaCl ₂), Clay Mineral, Silica Gel. 	automotive and industrial applications		
PULSARS Website: www.pulsars.in	PULSARS specializes in design and manufacture control automation products for OE applications. Our customers are manufacturers of appliances, vending machines, Mechanical and electrical instruments/machines. We can develop intelligent controls including displays, keypads, touchscreen , communication interfaces, IoT that add value to their products. Our designs comply with CE, RoHS, UL etc..	Vending Machine Controller: Premix Based Vending Machine Controllers, Integrated Snacks Vending Machine Controller, Smart Card Based Vending Machine Controller, Bean 2 Cup Fresh Brew Coffee Machine Controller. Solar Inverters: Solar Inverter (450W), Solar Inverter (100W). E Bike Battery Charger, Fish Feeder Controller, Milk Tank Data Logger, Chemical Dosing Pump Control Board, Golf Swing Speed Indicator.	;;Electrical;Industrial Automation;;;
S.M.ASSOCIATES Website: http://www.smassociate.co/	We manufacture various types of precision machined engineering and electrical components. The company machines components that are required for Transformer Bushing Metal Parts, Vacuum circuit breaker components, Current & Voltage & Instrument Transformer Terminals, Low Voltage Bushing, Tapchanger Studs, Oil Sampling Device, Standard & Custom made Flanges & components as per customer requirements.	Copper Products: Primary Adaptor, Copper Stud, Copper Stud, Copper Terminal, HV Terminals, Copper Brushing Stud, Center Road, Fix Electrode. Aluminum Products: Aluminum Terminal, Aluminum Ring. Brass Products: Brass Oil Filling Plug, Drain Valve Assembly, Oil Sampling Device Assembly. Mild Steel Products : Slip on Raised Face Flange, Socket weld Flange, Lap joint flange, Threaded Flange, Preselector Mounting Flange, Mounting Flange, Valve Mounting Flange, Inserts. Stainless Steel Products: Plunger Knob Teflon Assembly, Tank Stud.	;;Electrical;;;
SUNCOAT ENGINEERING KOVAI PVT LTD Website: www.suncoatengg.com	We are a sheet metal subcontractor with facilities for laser cutting, bending and fabrication. We supply quality sheet metal parts and assemblies to many industries. We have two laser cutting machines, Trumpf and Mitsubishi which can cut upto 20mm steel plates. Our organization is ISO 9001 accredited.	Cnc Laser Cutting, Cnc Waterjet Cutting, Cnc Bending, Welding	;;Electrical;;Industrial Manufacturing;;;Process Industry
THARAWIRES Website: WWW.THARAWIRES.COM	NATARAJAN HAS DIVERSIFIED EXPERIENCE IN ELECTRONICS INDUSTRY, SOFTWARE INDUSTRY FOR 12 YEARS IN OVERSEAS AND 6 YEARS OF EXPERIENCE WELD MESH INDUSTRY. WITHIN THIS TIME SPAN HE EXPANDED HIS CUSTOMER BASE IN INDIA AND HAVE VISION TO EXPORT TO UK AND EUROPE.	Welded Wire Mesh	Automobile;Aerospace & Defence;Electrical;Industrial Automation;Industrial Manufacturing;Machine Tools;Oil, Gas & Mining;Process Industry

CASTCO Website: www.castco.co.in	CASTCO HAS BEEN MANUFACTURING & SUPPLYING STEEL CASTING & GROUND ENGAGING TOOLS AS A SIGNAL SOURCE & STRATEGIC SUPPLIER TO ORIGINAL EQUIPMENT MANUFACTURES OF HYDRAULIC EXCAVATORS & WHEEL LOADERS & ROPE SHOVEL	Tooth Point & Adaptors: for Dredging, Excavator Buckets, Rope Shovel, Middle side Cutters for Backhoe. Concrete Machinery Parts: S Valve Tube, Bend Pipe, Delivery Tube, Connection Tube. Heat Resisting Casting: Tray, Chain Link, Grate, Fixture Parts. Machining Components: Pad, Sprocket, Steering knuckle, Connecting link. Alloy Steel Casting: Blow Bar, Track Shoe, Piercing point for seamless Pipe. Wear Resistant Casting: Crusher, Hammer, Feed Tube, Gusset Wear Casting. Fixtures & Tray: 3 Flange, Distance Block, Segment Tray, Fixture Parts, Helly Tray. Furnace Spares: Chain Link, Skid Roller Tray Assembly, Skid Roller, Fabricated Impeller, UFO, Vane	Automobile;Aerospace & Defence;;;Industrial Manufacturing;;Oil, Gas & Mining;
ROHTAS FASTNERS PVT. LTD. Website:	Manufacturer and supplier of cold forging & Machining components.	Precision Machined Components. Fasteners. Automotive Components: Front Fork Piston Seat Pipe, LCN Components & Bushes, Fhydraulic Control Valve Ass. Hydraulic Control Valves: Hydraulic Control Valve Assemblies, Hydraulic Control Valve, Hydraulic Control Valve Ass. Dowels & Shafts, Precision Machine Components. Hex Connector, Spindle, Seat Valve Components, Exhaust Valve, Brass Nipple	Automobile;;;;;;;;;

EMPIRE AUTO PVT LTD Website: www.empireauto.co.in	Empire Auto Pvt. Ltd. is a manufacturer of carbon and alloy steel forged components for automotive, railways, oil and gas and other engineering applications. We have a capacity to forge 10000 metric tons per annum of steel forgings. We manufacture closed-die-forgings ranging from 100 gms to 30 kgs per piece of finished weight.	Carbon and alloy steel forged components for automotive,railways, oil and gas, general engineering & earthmoving	Automobile;;;Industrial Manufacturing;Machine Tools;Oil, Gas & Mining;
EASTERN ALLOYS PVT. LTD. Website: www.eapl.co	WE EASTERN ALLOYS PVT. LTD. MANUFACTURE OF S.G. IRON AND GRADED IRON CASTINGS, AUTOMOBILE COMPONENTS LIKE BRAKE DRUMS, HUBS, BRACKETS ETC., RAILWAY ADAPTERS AND INSERTS, WATER VALVES, PULLEYS AND PLUMMER BLOCKS.	METAL PARTS REQUIRED FOR HIGH TENSION INSULATORS, SGCI Caps. DUCTILE IRON FLANGES: flanges long Rod, hollow and Solid Core. AUTOMOBILE CASTINGS: castings for heavy and light automobile. SGCI INSERTS: SGCI Inserts for Concrete sleepers	Automobile;;;Industrial Manufacturing;;;
ALUBEE DIE CASTERS Website: https://alubee.com/	Alubee die casters are one of the leading aluminium die casters in India for more than two decades. The core strength of Alubee is the ability to offer as a one “attracting solution for all the high pressure die casting needs. Alubee offers designing, manufacturing, and assembly under a single roof.	Aluminium Pressure Die, Aluminium Pressure Die Casting, Die Casted Parts, Rotor Die Casting	Automobile;;;;;;;;;
CLASSIC ENGINEERING SYSTEM Website: www.classiccnc.co.in	Classic CNC Engineering’s Business Concept is to develop, Manufacture Products and system in metals for industrial companies for Sheet Metal Components engineering solutions by Laser Cutting, Turret Punching, Bending, Fabrication & Powder Coating. We are equipped with Advanced German Machines, skilled administrators, Quality inspectors, skilled labors and work area more than 50,000 sqft	Laser Cutting, Metal Fabrication & Metal bending services. CNC Press Break, Laser Cutting Machine, Turret Punch Machine, NC Shearing Machine, NC Press Break	;;;Industrial Manufacturing;;;Process Industry
STS MANUFACTURING PVT LTD Website: www.stsmpl.in	STS MANUFACTURING PVT. LTD. is an IMS certified company (ISO 14001 : 2015, IATF 16949 : 2018, ISO 45001: 2018) certified widely chosen by customers for having quality conscious approach towards individual product developed in its cutting-edge manufacturing unit and able to develop a wide range of automobile components such as machined components, fabricated components, sheet metal components etc..	Automobile Parts and Components. Road Safety Products. Electric Control Panel: Switch Gear Box, Electric Panels , Cable Trays & Racks.	Automobile;;;;;;;;;
MECH `N` TECH ENGINEERS Website:	We are manufacturing & Supplying Components to Aero Space, Mining, General Engineering, Valves, Railways, Marine	Precision CNC Machined Components for Earthmoving, Wind Mill, Oil and Gas, Railways,	;Aerospace & Defence;;;Industrial Manufacturing;;Oil, Gas & Mining;

	sectors...	Thermal Power Plant, Textile	
TANGENT HI TECH ENGINEERING Website: www.tangenthitech.com	Tangent Hi Tech Engineering is a ISO 9001:2015 Certified company We are engaged in Manufacturing of Auto components, Tooling components and Non auto components such as Hydraulic components Like Piston,Gland,End cap,Clevis Pin, Fittings.storage system components Like Shaft,pulley,sprocket, wheel, drive unit items. load cell & food industry components.We are the complete Machining solution Provider	Ice cream Filling machine Component, Cone Holder For ice cream filling Machine, Die Casting Core, Assembly Fixture, Alignment Gauge, Small components for Conveyor, Shaft for Milk Chilling Tanks, Spacer for Guide Pillar, Bottoming Block, Spacer for Guide Bush, Starter Motor Body for Two wheeler.	Automobile;Aerospace & Defence;;Industrial Automation;Industrial Manufacturing;;Oil, Gas & Mining;Process Industry
RABWIN INDUSTRIES PVT LTD. Website: www.rabwin.com	We RABWIN INDUSTRIES PVT LTD are specialist in Precision Components Manufacturing with more than 100 CNC machines of German & Japanese technology catering to domestic & international customers for Valves, Pumps, Compressor, Switchgear (GIS, AIS), textile, Railway & automobile sectors. we supply to almost 20+ countries around the globe with consistent quality and delivery time.	Precision Machined parts for Pumps, Valves, Gears, Automobile, Conductors, General Engineering, Earth Movers, Switch Gear	Automobile;Aerospace & Defence;Electrical;;Industrial Manufacturing;Machine Tools;Oil, Gas & Mining;
SHRI VISAKHA INDUSTRIES Website: www.visakhaindustries.com	SVI was founded in 1975. The main unit is based in Coimbatore and is managed by Mr V.T Vijayaraghavan and team, with a separate unit for machining in Pondicherry with only Makino machines. We specialise in Aluminium Pressure Die Castings for various industries, we predominantly supply to the automobile industry at present. Wr are an approved tier two source for Maruti, Polaris and various others.	CRANK CASE DIESEL ENGINE, HYDRAULIC COMPONENTS, STEERING RACK HOUSING, TEXTILE MACHINERY HOUSING, FUEL & WATER PUMP HOUSING, ELECTRICAL SWITCH BOX AND COVER	Automobile;Aerospace & Defence;Electrical;Industrial Automation;Industrial Manufacturing;;;
MECHWAN AUTOMATION PVT LTD Website: www.mechwan.com	Mechwan Automations are completely given machined products to print from bar stock, castings, forging & Pressure Die casting, Ferrous & Non Ferrous materials	CNC Machine, Laser Cutting Machine	Automobile;Aerospace & Defence;;Industrial Automation;Industrial Manufacturing;;;
BARANI HYDRAULICS INDIA PRIVATE LIMITED Website: www.bhipl.in	Barani Hydraulics India Private Limited is one the leading Custom build hydraulic press and Pressed components manufacturer & exporter, established in year 1988. Presses complies with International Standards. ISO 9001, ISO 14001 & OSHAS 18001 certified company. Our Products are Hydraulic Presses for various sectors, Sheet metal products and Assembled parts and Grey & SG Iron castings.	Automobile: WHEEL RIM, BRAKE LINING & DISCPAD, CLUTCH PAD, CLUTCH HOUSING, LEAF SPRING, WHEEL HUB ASSEMBLY, STEERING ASSEMBLY, INTERIORS. SHEET METAL FORMING. Solid Tyre. Ceramic And Refractories. Tyre Retreading & Envelope MFR. Aerospace.	Automobile;Aerospace & Defence;;Industrial Manufacturing;;Oil, Gas & Mining;Process Industry
VASANTHA ADVANCED SYSTEMS Website: www.vasanthasystems.net	Vasantha Advanced Systems that has been in business of Electronic Manufacturing Services (PCB Assemblies, Wiring Harness and Coil Assemblies) for the past 25 years. Vasantha Advanced Systems is a ISO 9001 : 2015 & IATF 16949 : 2016 Certified Company based in Coimbatore, Tamilnadu- state in INDIA. We have an installed capacity of 3 fully automatic SMT lines to handle ROHS processes.	Electronic Assemblies. Coil Winding. Wiring Kit. Microcontroller Products. Gas Leak Detector. Electronics Manufacturing Services. Indian Railways Products	Automobile;Aerospace & Defence;Electrical;;Industrial Manufacturing;;Oil, Gas & Mining;Process Industry
RADHIKA EQUIPMENTS Website:	One of the celebrated names, Radhika Equipments is one of the fastest growing companies that are dealing in woven, non-	End Caps for Filters: Metal End Caps, Plastic End Caps, Aluminium End Caps. Filter Bags.	;;;Industrial Manufacturing;Machine Tools;;

www.radhikaequipments.com	woven bags, and other such products. We are a notable manufacturer, exporter, and supplier of end caps like metal filter end caps, plastic end caps, etc., filter bags like nylon liquid filter bags, non woven filter bags, homopolymer acrylic filter bags, etc.	Filter Cover Assembly. Metal Cones. Venturies & Cages. Machining Components	
BEST FORGINGS INDIA PRIVATE LIMITED Website: www.bestforgings.com	WE ARE ONE OF THE LEADING MANUFACTURER OF FORGED COMPONENTS IN COIMBATORE, TAMILNADU, INDIA OFFERING ONE STOP SOLUTION FOR OUR CUSTOMERS WITH OUR IN-HOUSE FACILITIES LIKE FORGE SHOP, CNC MACHINE SHOP, HEAT TREATMENT, DIE DESIGN AND MACHINING, ETC.	Ferrous and Non Ferrous Forged Components for: Automobile, Farm Equipments, oil & gas, Valve, Pump, Water pump, Textile, Defence, General Engineering	Automobile;;;Industrial Manufacturing;;;Oil, Gas & Mining;
AEROSPACE ENGINEERING PRIVATE LIMITED Website: www.thesalemaeropark.com	Design, Development, Manufacturing, Installation, and Servicing of Metallic Components & Assembly & Non-metallic (Rubber & Composites) precision parts for Aviation, Space, and Defense application.	Metallic Components for Aerospace, Rubber Components for Aircraft Interiors, Lightings, Cargo, Seatings, Helicopters, Military, Defence, Aerospace, Civil Aviation, Compression Moulded composite components for Missile projects, Clamp.	;Aerospace & Defence;;;;;
ACOUSTICS INDIA PRIVATE LIMITED Website: www.acousticsind.com	We, Acoustics India Private Limited founded in the year 1988 is an Engineering and Manufacturing Company specialized in wide range of products which are being supplied to Domestic and Global markets in Steel & Power, Oil & Gas, Petrochemical & Refineries, Chemical and Fertilizers, Engineering, Defense / Aerospace & Nuclear etc.	Acoustic Enclosures: Silencers, Sound Proof Cabins, Sound Proof Doors, Acoustic Treatment, Test Beds, Skid Packages, Pressure Vessels, Heat Exchangers, Storage Tanks, E-House, Piping Components, Valve Components, Oil Field Equipments, Gas Turbine Systems, Others Products.	Automobile;Aerospace & Defence;Electrical;Industrial Automation;Industrial Manufacturing;;;Oil, Gas & Mining;Process Industry
MANI INDUSTRIES Website: www.maniindustries.co.in	Sheet metal Fabrication includes Laser Cutting,Bending,rolling,Control Panel,Brackets,Racks,Clamps ,Enclosures	Sheetmetal Fabrication, Enclosure, Electrical Panel, Racks, Brackets, Partition Panels, Ceiling Panels, Hand Rails, Balcony rails, Gates	;;;Industrial Manufacturing;;;
